## Effective Construction Safety Management

Elements of sound Safety Management will be reviewed with practical examples. Means to manage multilingual personnel and programming are integrated into the model of safety management.

Alan Larson, President of Safety Management Consultation Services, Inc., is a safety management consultant with over 35 years experience.

His firm is based in Northern California serving clients throughout California and nationally. His experience has been gained from work in several countries involving numerous nationalities.

He has previously served as the President of the Golden Gate Chapter of NSMS. Alan is a Certified Safety Professional and has a Masters degree in Finance with focus on Safety Management. Mr. Larson received his B.S. in Psychology for the University of California, Davis, and a M.S. in Finance and Safety Management from the University of Arizona. He has served on foreign assignment for the International Labour Organization as a safety expert.
