Project Management, Risk Mitigation, and Contractor's Insurance Programs

3 Sessions | April 20, April 22, April 27

Register PublicWorksSeries.eventbrite.com 

Align your business for public works contracting success with expert advice in this three part series designed for contractors new to public works and those interested in deepening their understanding of this unique marketplace. Topics covered will help prepare attendees to be more successful in their public works projects and avoid pitfalls.

Sessions:

#1 Contractor's Insurance Programs

Tuesday, April 20, 10:00am to 11:00am

#2. Tips on Risk Mitigation

Thursday, April 22, 10:00am to 11:00am

#3 Managing Your First Project

Tuesday, April 27, 10:00am to 11:30am

Speaker:

Edward Duarte
Public Works & Construction
Specialist, Norcal PTAC

Founder and retired CEO of Aztec Consultants; a San Ramon-based professional construction management company and general contracting firm that specializes in public works, commercial, and institutional construction projects. Under his leadership, the company provided construction management services on over \$250 million of public works contracts and built over \$200 million as the general contractor of record, subcontracting with numerous DBEs and other minority-owned businesses.
