Cal/OSHA Update: What to Watch for in 2023

Len Welsh is the former Chief of Cal/OSHA. He is currently Principal Consultant with Baker & Welsh, LLC. He is recognized for his expertise and success in litigation and settlement strategies, as well as his skill in forging cooperative relationships between management and labor organizations. Following his departure from Cal/OSHA in 2011, he served as Counsel and Acting Chief Counsel to the Director of the Department of Industrial Relations. Len has more than 30 years of experience in the practice and administration of occupational safety and health and related environmental law.

Fred Walter is Of Counsel in Conn Maciel Carey's San Francisco, CA office. He provides the full range of workplace safety and health law services, with a special focus on employers' interactions with Cal/OSHA. He has spent more than 35 years working with employers, general counsel, safety directors, risk managers, human resources administrators and safety professionals defending OSHA and Cal/OSHA citations, as well as developing and auditing safety programs to answer regulatory mandates.

David W. Donnell the founding Managing Partner of Donnell, Melgoza & Scates LLP. Mr. Donnell advises employers regarding occupational safety and health issues, including Cal/OSHA, Fed/OSHA, MSHA, and Workers' Compensation "Serious and Willful" claims. He provides counsel during settlement negotiations; represents employers in hearing before administrative boards, including the California Occupational Safety and Health Appeals Board and the Federal Occupational Safety and Health Review Commission; has made numerous presentations to California employers and associations; and is a current member of the Cal/OSHA Advisory Committee (representing management). Prior to founding Donnell, Melgoza & Scates LLP he was employed as an attorney at Robert D. Peterson Law Corp. for 21 years.

ASSP San Francisco, ASSP Sacramento and PASMA have agreed to a combined meeting this month. We look forward to sharing time together during a most interesting and valuable session.

Join us Friday, February 10th, for a great seminar!
