Ongoing Programs

Electrician Trainee Program

Visit ABC NorCal Chapter's Electrician Trainee Web Page for information on our Program at:
www.abcnorcal.org/ETProgram

National Craft Assessment and Certification Process (NCACP)

NCCER's (National Center for Construction Education and Research) craft skills assessments determine an individual's knowledge or skill level relative to specific measurable tasks or subject areas. Contact Charles Vernocy at charles@abcnorcal.org or (925) 960-8503 for more information, or visit www.abcnorcal.org/assessments.

Electrical Continuing Education

ABC Northern California Chapter offers a variety of options for Electrical Continuing Education Hours (CEH) so you and your employees can complete your 32 hours of Continuing Education required for your Electrician Certification Renewal. Check the calendar at www.abcnorcal.org/eceu

* SE = **Subscribing employers currently training ABC apprentices**

** Counts toward Electrical Continuing Education Units (CEU)
