

# City of Fremont - Upcoming Projects

## CITY OF FREMONT NOTICE TO CONTRACTORS

The City of Fremont will be receiving sealed bids for the projects listed below upon release of the bid in the Purchasing Division located at 3300 Capitol Avenue, Building B, Fremont, California, 94538.

Central Park/Gomes Park Railroad Crossing – (PWC 8381) - The project consists of construction of new bicycle/pedestrian/service vehicle paved pathway at the proposed at-grade railroad crossing signal at the Mission Creek/UPRR junction in the vicinity of Central Park and Gomes Park. The project also involves, grading, minor drainage improvements, installation of new fencing, gates, striping and signing within Union Pacific Railroad (UPRR) right-of way and Alameda County Flood Control levee adjacent to Mission Creek. The Engineer's Estimate is \$128,000. Anticipated bid opening is October/November 2013. For more information contact Project Manager: Rene Dalton, phone: 510-494-4535, fax: 510-494-4751, email: [rdalton@fremont.gov](mailto:rdalton@fremont.gov).

Fremont Police Building Interior Painting (PWC 8393) - The project consists of painting and cleaning atrium components at the Fremont Police Building. Engineer's Estimate is TBD. Anticipated bid opening is November 2013. More Info, Project Manager: Martha S. Martinez, phone: 510-979-5750, email: [mamartinez@fremont.gov](mailto:mamartinez@fremont.gov).

Central Park Picnic Area Renovations (PWC 8738, PWC 8739, PWC 8745) - Three separate picnic areas in Central Park are to be renovated. Improvements include rough and fine grading; minor demolition; the installation of ADA compliant paving and sidewalks; tree and landscape planting; connection to existing irrigation systems; installation of picnic tables, preparation tables, barbeque pits, site furniture, and other decorative hardscape elements; and other such items or details required by the Plans, Standard Specifications, and Special Provisions. Engineer's Estimate is \$1,046,000. Anticipated bid opening is October 2013. More info, Project Manager: Mark Mennucci, phone: 510-494-4530, fax: 510-494-4721, email: [mmennucci@fremont.gov](mailto:mmennucci@fremont.gov)

2013 Pavement Rehabilitation Project – (PWC 8234-N) - The improvements to be constructed, in general, consist of: Furnishing and maintaining traffic control throughout construction; removing curb and gutter, hand excavating around tree roots, consulting with City arborist and root pruning and tree trimming or tree removal; constructing concrete curb and gutter; removing asphalt concrete roadway surfacing by excavating and cold planing, performing full-depth hot mix asphalt base repairs of various depths, crack sealing, placing of hot mix asphalt leveling course, replacing traffic signal detector loops and related facilities, placing hot mix asphalt and/or rubberized hot mix asphalt overlays, adjusting utility facilities, including lowering prior to grinding and raising to finish grade after overlay; installing signs, applying thermoplastic traffic stripes and pavement markings and placing reflective pavement markers. There may be other items of work not mentioned above that are required by the State Standard Specifications or the Special Provisions. The Engineer's Estimate is TBD. Anticipated bid opening is October 2013. For more info contact Project Manager: Craig Covert, phone: 510-494-4785, fax: 510-494-4751, email: [ccovert@fremont.gov](mailto:ccovert@fremont.gov)

The following two projects will be bid collectively and consist of the following scope of work:

- 1) Walnut-Argonaut- Parkhurst Lane Reduction and Roundabout Project (PWC 8669) -The project consists of construction of a roundabout at the intersection of Walnut Avenue, Argonaut Way, and Parkhurst Drive intersection and the lane reduction of Walnut Avenue (between Fremont Boulevard and Parkhurst Drive) and Argonaut Way (Between Mowry Avenue and Parkhurst Drive) from four lanes to two lanes. The construction improvements in general will consist of removal of existing curb, gutter, sidewalk, trees, landscaping, irrigation, driveways, asphalt concrete roadway, striping and signing and construction of new curb, gutter, sidewalk, landscaping, AC pavement roadway, hardscape, irrigation, trees, adjusting utilities, striping and signing, replacing traffic signal loops and minor traffic signal modifications, and other such items not mentioned above that are required by the Plans, Standard Specifications and Special Provisions. Engineer's estimate is to be determined (TBD). Anticipated bid opening is December 2013/January 2014. For more information contact Project Manager: Rene Dalton, phone: 510 494-4535, fax: 510 494-4751, email: [rdalton@fremont.gov](mailto:rdalton@fremont.gov).
- 2) Intersection Improvements at Fremont Boulevard and Walnut Avenue (PWC 8662) - The project includes traffic signal modification, signing and striping, installation of curb ramps, and other such items not mentioned above that are required by the Plans, Standard Specifications, and Special Provisions. Engineer's estimate is to be determined (TBD). Anticipated bid opening is December 2013/January 2014. For more information contact Project Manager: Sheila Marquises, (510) 494-4747, fax: 510 494-4751, email: [smarquises@fremont.gov](mailto:smarquises@fremont.gov)

LED Street Light Installation on Mowry Avenue From Farwell Drive to Bonner Avenue and Walnut Avenue from Mowry Avenue to Mission Blvd (PWC 8725B) -- Work includes replacing existing high pressure sodium with light emitting diode (LED) luminaires and any other items not mentioned that are required by the plans. Engineers estimate is \$193,000. The anticipated bid opening is December 2013.
