### **R. L. Davis Construction**

**(Apr. 8, 1926 - Dec. 16, 2015)**

Russell L. Davis Apr. 8, 1926 - Dec. 16, 2015 Resident of Fremont Russell L Davis, owner of R. L. Davis Construction regrettably passed away Dec. 16th at the age of 89. As a California native Russ was raised in Modesto, CA and honorably served in the United States Army. He earned a Bachelors Degree in Engineering from The California Institute of Technology, and a Master's Degree from The University of Southern California.

Russ enjoyed his career of over 60 years in General Engineering Construction. He worked at Keiwit early in his career and later formed Pentaco inc with his partners Al Galbraith and Lonnie Lawlor in the late 50's. In the mid 70's Russ formed R. L. Davis Construction which he operated until the present day. Russ married Patricia A. Davis in 1949 and they had three sons, Richard, Greg, and Ken. They were happily married for 60 years until Patty's passing in 2009. Russ is survived by two sons, six grand children, and four great grandchildren.

He was an accomplished engineer, builder, and contractor. Russ was also an amazing husband, father, grandfather, great grandfather, and friend. He will be deeply missed. He often said he enjoyed the work; building, construction and contracting, but his favorite memories were of the special relationships he developed with the many people he worked with over the years.

We ask all those who had the pleasure of meeting Russ and wish to attend a Memorial celebrating his life on March 19th 2016 call 510-673-6171.
